We present this magnificent, fully renovated apartment, located on Hortaleza Street, in the heart of Madrid and just a few minutes' walk from the iconic Gran Vía.

The property is on the third floor of a distinguished classic building, a type of construction highly valued in the city center for its architectural character and traditional essence. The renovation has been conceived with a contemporary approach, combining elegance and functionality to offer comfortable and well-distributed spaces. The apartment features three bedrooms and two bathrooms, as well as a bright living-dining area with an integrated kitchen, fully equipped with high-end appliances. This open concept provides spaciousness and encourages socializing, creating a modern and welcoming atmosphere. The exterior balconies not only add character to the property but also allow for abundant natural light. As an added bonus, the property includes a parking space, a true privilege in this central area where parking is scarce. The location is exceptional: just steps from Gran Vía, surrounded by all kinds of amenities, shops, restaurants, theaters, and excellent public transport connections, making this property an ideal option both as a permanent residence and as an investment...
