On Calle del Doctor Cortezo, right in the heart of the Embajadores neighborhood, this 194 m² residence is arranged across two levels starting from the

fifth floor, in a 1920 building. It is just steps away from Plaza de Tirso de Molina and Puerta del Sol, in the historic heart of Madrid. The renovation, signed by Arctempus, focuses on a contemporary design and a careful selection of materials. The living room, dining area, and equipped kitchen form the daytime area, which opens onto spacious terraces that extend the home outdoors. It is completed with six bedrooms, six bathrooms, and a walk-in closet, and is delivered furnished and ready to move into. Embajadores is one of the neighborhoods with the most character in the city center: the traditional charm (memoria castiza) of Tirso de Molina and Lavapiés coexists with Mercado de San Fernando, art galleries, and a highly varied culinary scene. Puerta del Sol, Plaza Mayor, and Barrio de las Letras are all within walking distance. A unique home for large families or for those seeking an investment with outdoor space right in the center of Madrid. Price: €2,500,000.
