on the fifth floor of a building with an elevator. It includes a garage parking space in the same building. It has just undergone a comprehensive renovation with carefully selected materials and finishes. Its elevation and street-facing windows provide natural light throughout the day, and it features a terrace for enjoying the outdoors without leaving home. The daytime area is very spacious. The living-dining room features several large windows with floor-to-ceiling curtains, a sitting area with a custom-built TV unit, and a dining area with a table for eight to ten guests, designed for comfortable entertaining. The kitchen is fully equipped and arranged around an island with a breakfast bar for casual meals. It features light-toned cabinetry fronts, marble-veined countertops, gold-toned fixtures, and integrated appliances. A hallway with a separate laundry room separates the service area from the rest of the home. All three bedrooms feature walk-in closets and custom-built wardrobes, allowing any of them to serve as the primary bedroom....
