Renovated 40 sq m studio in front of plaça de les Basses de Sant Pere In the very heart of Barcelona, just a few meters from Arc de Triomf and about fifteen minutes' walk from Port Vell and Barceloneta, you will find this unique 40 sq m studio, completely renovated and brand new, where the historic architecture of the Sant Pere neighborhood and contemporary design coexist in harmony. It faces plaça de les Basses de Sant Pere, one of the squares with the most character and calm in Ciutat Vella, and enjoys a balcony with unobstructed views. Inside, the property has undergone a comprehensive renovation, with brand-new electrical and water installations. It features natural ventilation in all rooms—living room, bedroom, kitchen, and bathroom—and adds an interior courtyard that provides light and comfort throughout the entire year. The vaulted ceilings with wooden beams, the original woodwork, the cathedral glass, and the amber glass dialogue with the continuous microcement and stainless steel, while the high ceilings amplify the feeling of spaciousness. It is sold fully equipped: bedroom, living room, designer desk, kitchen with two refrigerators and appliances, and air conditioning. Living here means having el Born, el Gòtic, and the sea just a stroll away, among quiet squares, markets, and neighborhood cafés. An authentic environment with the pulse of the historic center and the convenience...
