Brand new apartment in a renovated building.

From the entrance, you access the living-dining room (with two exterior balconies) and kitchen. The hallway leads to the sleeping area, which is divided into two bedrooms with en-suite bathrooms and large built-in wardrobes. The beds are hotel-quality, with box springs. All the windows in the apartment are tilt-and-turn Climalit Plus, thus placing special emphasis on thermal and acoustic insulation. The air conditioning is a heat/cold pump, and the appliances are top-of-the-range. The price includes all utilities, high-speed Wi-Fi, weekly cleaning service (including bed linen), and an exclusive 24-hour care service for residents. The locks are electronic, and the interior design was carried out by BAO architects. Can you imagine living here?
