The property is sold fully furnished and is distributed over two floors. On the main floor, we find a spacious living room with double-height ceilings and four large windows that flood the space with light, a semi-integrated kitchen, a double bedroom, and a full bathroom. The upper floor houses a second double bedroom with an en-suite bathroom, which is accessed via a comfortable staircase. The ceilings with exposed beams reinforce the feeling of spaciousness and bring a unique character to the home. It also features underfloor heating, ducted hot/cold climate control, windows with thermal break, and dual southeast and northwest orientation, which guarantees excellent cross ventilation and natural light during most of the day. The building was fully rehabilitated in 2017, respecting the classic essence of the property while incorporating all modern amenities....
