Near the Vallvidrera tunnels, just 10 minutes from Barcelona, we find this splendid townhouse in the center of Mirasol.

Just a couple of minutes on foot, you will find the Mirasol station, the market, shops, and restaurants, the Catalunya school, La Farga, the Casal de Mirasol, and the future heated pool, which will finish its works in less than a year, making life easier and creating an ideal environment for family life. We begin our tour of this 273 m² house, according to the land registry, after crossing the garden. Upon entering, we find a hall that leads us to the various common areas of the house: a fully equipped kitchen-dining room, a guest toilet, and a living-dining room with direct access to the private garden, which also has a direct door leading to the community with a pool and garden, where you can enjoy summers with just ten neighbors. On the first floor, we reach the three bedrooms: a master suite and two generous single bedrooms that share a bathroom. The master suite includes its own walk-in closet and views of the garden. On the second floor, there is a multipurpose room with direct access to the terrace with a balcony and unobstructed views, perfect for relaxing and enjoying the surroundings. Two more rooms complete this...
