APROPERTIES REAL ESTATE presents a villa located on one of the best plots in the urbanisation.

With a size of 3.800 m², it has a dominant situation over the surroundings, as it is on a hill, which gives it unbeatable views of the mountains of Madrid. The plot allows for the construction of a second, smaller house. The construction and structure of the house is traditional, solid and of high quality. Its distribution is very good, as it allows to live on one floor. In short, this property, both for the situation of the plot and for the structure and distribution of the house, has a great potential for renovation. Currently, the house, with a size of 477 m², is distributed as follows. MAIN FLOOR: entrance hall with access to a spacious living-dining room with fireplace and direct access to a pleasant porch with fireplace, which serves as a sitting area, both in summer and winter. The views from the porch are breathtaking. From the entrance hall there is access to a guest toilet, a kitchen with office and direct access to a gazebo located in the garden and to the service area, with en-suite bathroom. The sleeping area is on the same floor and has four bedrooms and two bathrooms. The master bedroom has an en suite...
