The Port is a cosmopolitan and lively place, where many cultures mix and where shopping, sun and nightlife are combined.

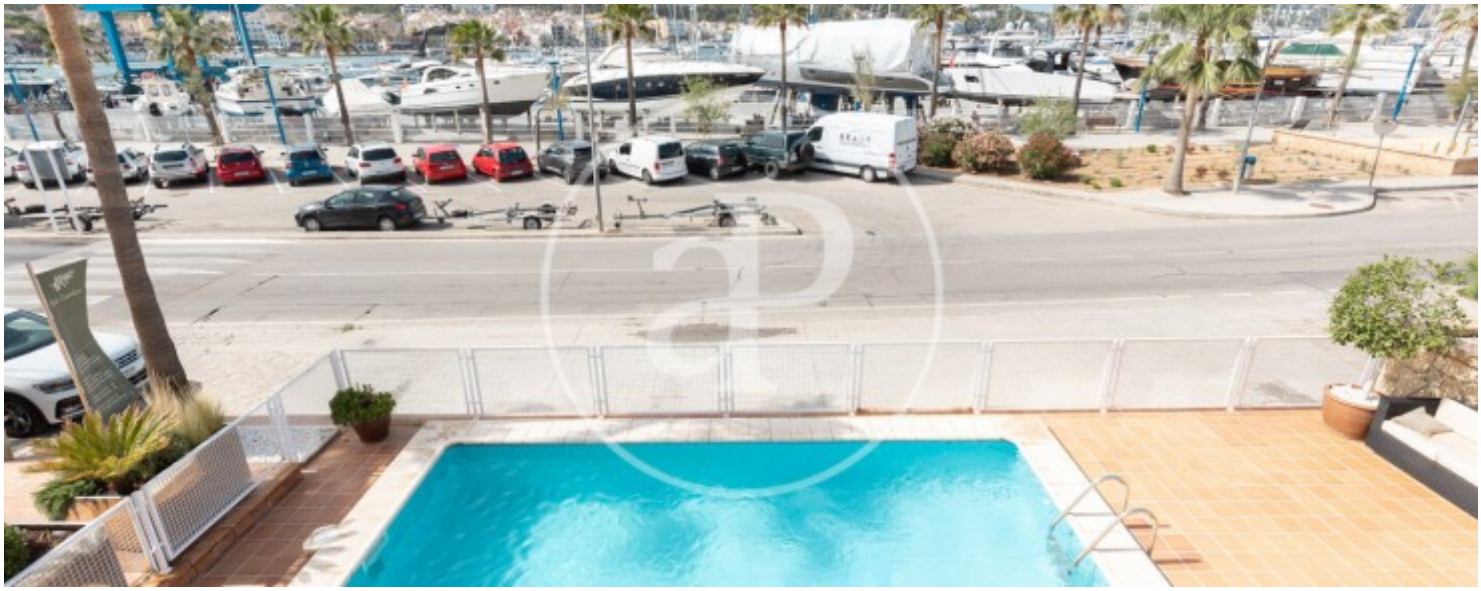

It also offers an infinity of activities related to the sea. However, it has one of the best equipped marinas on the islands, the Club de Vela del Puerto de Andrach, with some 500 moorings occupied by sport and pleasure boats. The liveliest part of the town is concentrated on the promenade and the quay, where the fish market building is located, a testimony to the fishing activity, where you can buy the fishermen's fresh catches in the morning. Shops and restaurants with pleasant terraces overlooking the sea overlook the promenade, which leads to the lighthouse and the Sailing Club, passing the small torrent des Saluet. This flat with views to the sailing harbour is being refurbished and has 2 double bedrooms with fitted wardrobes and 2 bathrooms ensuite. The living/dining room with a modern american kitchen has access to the large terrace with views to the harbour. The flat is currently in the process of being refurbished and upgraded to the highest standards with the best quality fittings, appliances and domotics, so this is the ideal time to decide on the finishes individually. can you imagine living here
