In one of the quietest areas of BCN between Poble Espanyol and Plaça Espanya, we find this great opportunity for a house with multiple reform options, where the hydraulic floors and other original elements to be recovered, give a glimpse of the wonderful house that we could convert it into. Currently it consists of 3 floors, a patio-garden at the entrance and another backyard, as well as a balcony on the second floor. For those of you who are looking for something different and exclusive, to reform your personal taste, with outdoor spaces, a lot of tranquility, close to various means of transport and local commerce, you only have to request a visit after watching the video on our website www.aproproperties.es
