The panoramic floor-to-ceiling windows of this magnificent duplex penthouse make this property a unique piece. The penthouse has 3 bedrooms with en suite bathroom and terrace each. It is completely renovated and it is noteworthy that in all the terraces have been installed IP parquet floors, perimeter light led low power consumption, which provides a dim and pleasant lighting at night. On the second floor we find the day area, consisting of a spacious living-dining room, the open kitchen with spectacular views, a guest toilet and a bedroom with en

suite bathroom and direct access to a nice terrace. On the upper floor we find the other two bedrooms en suite with exterior exits. All rooms have fitted closets with sliding glass and iron doors and automatic LED interior lighting. The kitchen has been completely renovated, opening it to the living-dining room, of the Italian brand Bontempi, with high-end appliances, extraction hood of the German brand Gutmann, large refrigerator-freezer of the American brand Viking..., in short, luxury in its maximum representation.
