In La Dreta de l'Eixample, with an unbeatable location between Passeig de Gràcia and Passeig Sant Joan, surrounded by services and shops, we find this property, with many possibilities for refurbishing, because although it is in good condition, it is currently used as a professional office. Located on a second floor, the apartment of 130sqm, has a typical layout of Eixample, can easily become a wonderful property with a living room with views, three or even four bedrooms and two or three bathrooms. Its high ceilings with "volta catalana" style, the beautiful wooden parquet floors and the possibility of recovering the original hydraulic floors, make this property a unique piece.
