In a very beautiful Finca Regia from 1900, with a majestic porter's lodge and an old carriage entrance, we find this main apartment to be refurbished with many possibilities that conserves the original elements such as the hydraulic floors and the coffered ceilings. At the moment, it consists of two double bedrooms facing the street, an exterior double with access to a small terrace and two singles, one with access to a small patio. Two bathrooms and a kitchen to be completely refurbished. The corridor currently has large built-in wardrobes. The location could not be better, in Rosselló street next to the emblematic Paseo St Joan, surrounded by all the services and shops of the area.
