A few meters from Plaza Tetuán and Paseo San Juan, surrounded by hotels, gardens, shopping centers and schools, located in a wonderful royal estate, we find this charming furnished house of 140 sqm facing the sea. It has 3 bedrooms, one of 20 sqm with bathroom, another double room with custom desk and a third individual but wide, all with fitted wardrobes. The fully equipped kitchen and the bathrooms are reminiscent of the houses in the inland villages of Mallorca and the floor combines original hydraulics with ceramic parquet. The large dining room has balconies to Gran Vía that fills the room with light. This house combines elements typical of the island of Mallorca with modernist details in floors and walls, is freshly painted and can be rented with and without furniture. * In
