Recently refurbished flat with great taste, maintaining the original details such as the Catalan vault, the hydraulic floors and the balconies in a regal property very close to the Passeig St Joan.

As soon as we enter this flat we get a great feeling of spaciousness, due to its high ceilings and open spaces. The first impression is a direct view of the balcony overlooking the street and the Catalan vaulted ceilings. On the right as we enter, we find the first large double bedroom with fitted wardrobes. To the left there is an exit to a covered space ideal to be used as a storage room/bike store as it is covered and a super spacious bathroom with dressing area.

Opposite is the open plan kitchen, fully equipped and with plenty of storage. A very spacious open space completes the dining room with a large wooden table and the living room with a sofa with access to a balcony. From the living room we access to the suite that also has a balcony to the street and a complete bathroom. The flat has air conditioning and individual heating. Located in a regal building with a beautiful wooden doorway and a building in good condition, close to shops and public transport.
