Fully renovated with high-quality finishes. All the facilities of the apartment are completely new. The rehabilitation was done with a modern style but preserving original materials and finishes (vaulted ceilings, exposed brick walls, old hydraulic floors, original interior wooden doors, etc.). It has a modern layout with all rooms very bright and naturally ventilated. The apartment has a large living-dining room with access to a balcony facing the street, a small office in the gallery and a full-equipped kitchen, perfectly

integrated into the living area, and separate utility room. It has three bedrooms: a large suite with dressing room, a private bathroom and private balcony and two other bedrooms, one double and one single, which share a second full bathroom.
