Top-floor apartment with a spacious balcony, located in the Quadrat d'Or, less than 5 minutes' walk from Passeig de Gràcia and with views of the Casa de les Punxes.

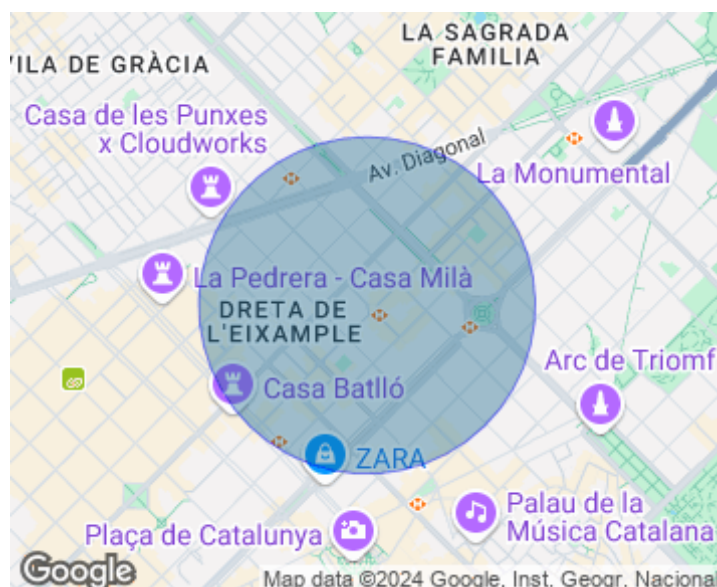

This recently renovated apartment, detailed and extremely quiet, features a direct entrance into the living room with views of the large balcony, providing plenty of natural light thanks to its large windows. Adjacent to the living/dining room, there is a semi-open kitchen that is quite spacious, with room for an office area and a laundry room. It is a very square-shaped space with access to the balcony, overlooking a typical Eixample courtyard, very large and sunny throughout the day,

offering great views. The balcony is large enough to enjoy breakfast or a meal in the sun, as there is space for a table. The night area includes 3 exterior bedrooms (2 very spacious doubles facing the courtyard and a very large single), as well as 2 bathrooms, perfectly completing the night area, which is well-separated from the daytime living space in this high, sunny, and quiet apartment, located in the upper part of Eixample Dreta.
