Located on Consell de Cent, one of Barcelona's most sought-after streets, recently pedestrianized and transformed into a landmark, this 89 m² penthouse (according to the land registry) stands out for its comprehensive, high-end renovation and exceptional natural light. This home is designed to offer modern comfort in a vibrant, tranquil, and lively setting. The living area is organized in a spacious and elegant open-plan living and dining space, with large windows that allow abundant natural light throughout the day and provide access to a pleasant terrace with awnings and sea views. The contemporary kitchen is seamlessly integrated into the space, equipped with custom-made cabinetry and high-quality appliances, successfully combining functionality and aesthetics. The sleeping area offers three

well-proportioned bedrooms, designed to ensure rest and privacy. The master suite is notable for its spaciousness and ample storage with custom-built wardrobes. Both bathrooms, featuring fully renovated showers and sinks, boast a contemporary design with carefully selected materials and anti-fog mirrors. It features a third bathroom, a French-style toilet. Among its highlights are high-performance windows, magnetic door locks, ducted air conditioning and heating, and high-quality continuous flooring that provides warmth, comfort, and a sense of unity throughout the apartment.
