Surface

90 m²

Bedrooms

2

Bathrooms

2

Price

1,950 €

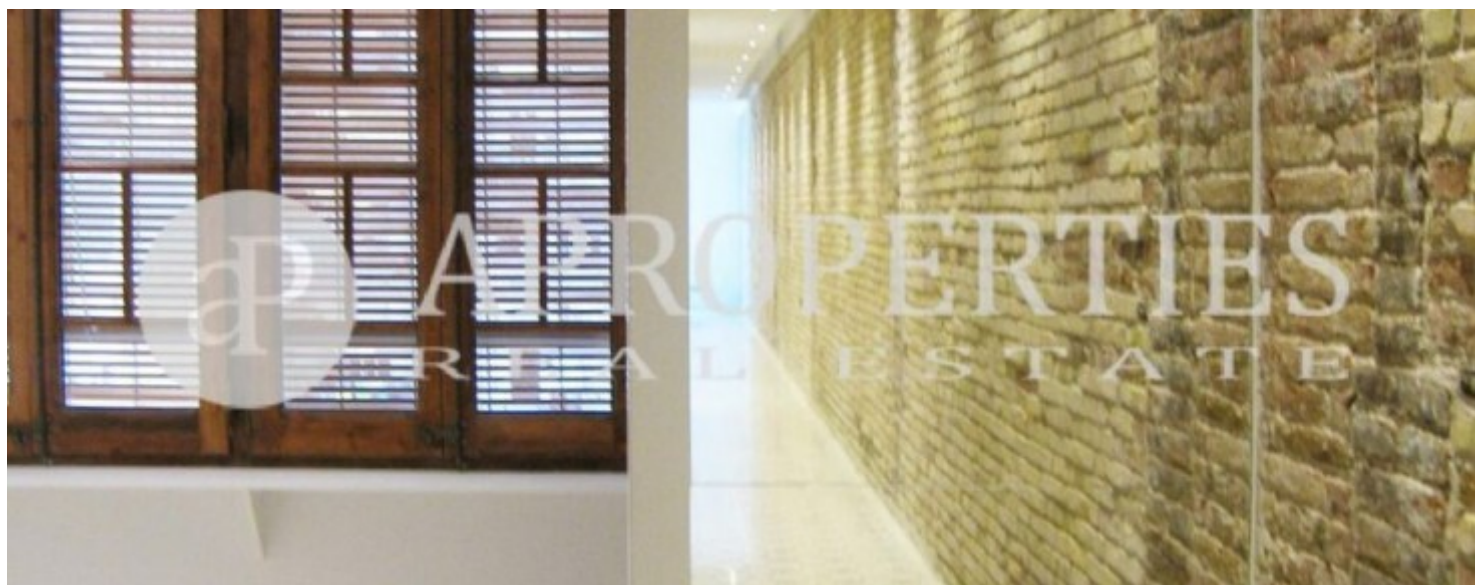

The apartment of 90sqm is located in the upper area of Enric Granados and is decorated with good taste.

It has been completely renovated by an architect and is laid out from a hallway with a brick wall. It has a living-dining room of 20sqm with double glazed windows and access to a balcony, kitchen, two large bedrooms, one of them en suite with dressing room opening to a gallery and two bathrooms with large showers. There are new closets. It is a flat that combine the best of the antique and new. The hydraulic floors have been preserved and varnished and all doors are sliding and white. * In compliance with Law 12/2023 and Law 18/2007, we inform that
