The property, in a completely renovated property from 1900, is perfectly located in Girona street, next to the Mercat de la Concepció. It consists of a living/dining room with a balcony outside to the street, a fully equipped kitchen, a bedroom en suite also with a balcony outside to the street and two double bedrooms that share a bathroom, both outside to the block courtyard. The property has been totally rehabilitated with high quality finishes and taking care of all the details, preserving some original elements of its time such as the ceilings

with exposed wooden beams and the perfectly restored Catalan volta. The floor is soundproofed thanks to its double glazed windows that turn it into an intimate space full of peace, in the centre of the Dreta de l'Eixample.
