**We present this brand new, completely refurbished corner flat in a prestigious building in Gran Via, where some of the original elements have been preserved.**

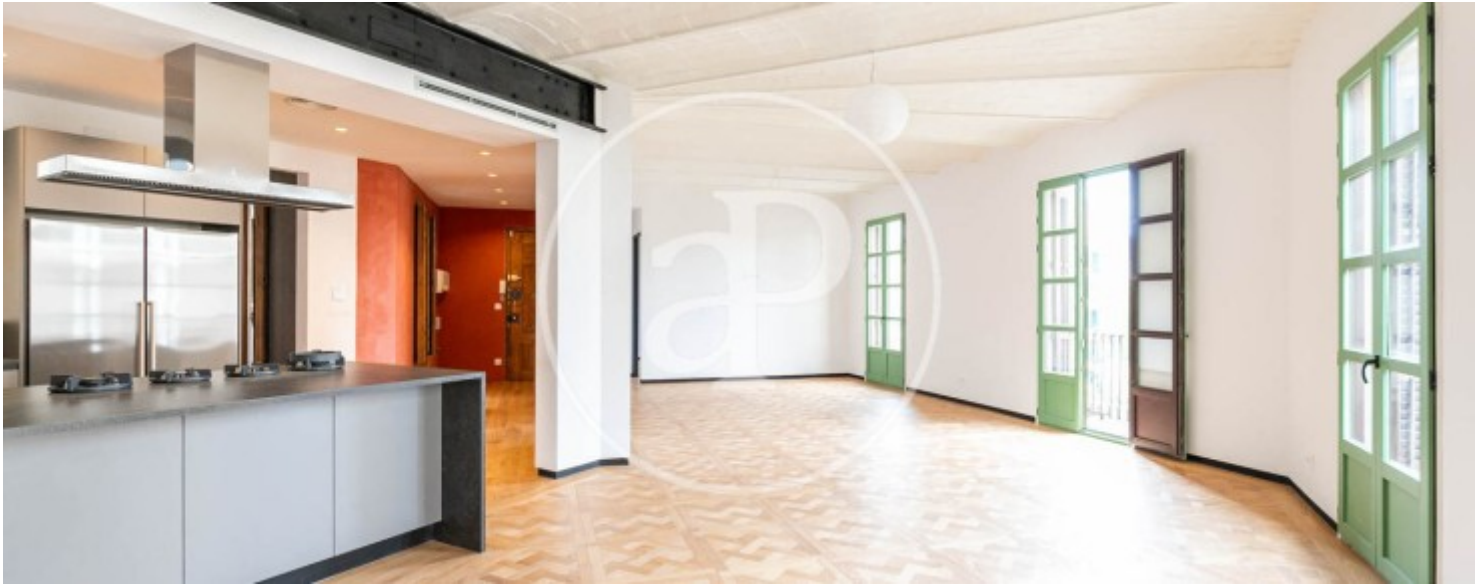

It stands out for its brightness and elegance. Upon entering the property we are surprised by the large living-dining room with open kitchen and its four large windows with access to the balcony. The Catalan vaulted ceilings and the natural parquet floor give the ideal comfort to the whole house. The designer kitchen is open to the living room, naturally separating both spaces by an island and is fully equipped with high-end appliances. The flat is distributed into three double bedrooms and three

complete bathrooms. Two of the bedrooms have access to a nice terrace that overlooks a quiet and sunny area of the courtyard. The building has a lift and access to the building for people with reduced mobility. If you are looking for a flat with personality, elegance, good taste and luminosity, do not miss the opportunity to visit it, contact us! We will be delighted to schedule a visit according to your availability.
