In Girona Street, just a few minutes from Passeig de Gràcia, surrounded by all the services and shops and next to public transport, we find this magnificent recently renovated flat with a very enjoyable terrace. The property, of approximately 120sqm, consists of two double bedrooms with access to the terrace, two complete bathrooms, an open kitchen with island to a large living room and an independent water area. Originally there were three bedrooms, if desired the third one could be recovered. Well oriented, the day area enjoys direct sunshine, and the night area, outside to the terrace enjoys lots of light. Parquet floors, aluminum carpentries, volta catalana in the ceiling and wooden beams are some of the details of the reform, very actual and of high quality.
