aProperties is pleased to present this recently renovated apartment with exquisite taste and excellent finishes in one of the most sought-after areas of the city: the pedestrian zone of Girona Street, close to the city's most iconic spots. We enter the apartment through a small hallway equipped with built-in wardrobes. On one side, we access the day area through a corridor with windows that bring brightness and a sense of spaciousness. In this area, we find a guest toilet and a double en-suite bedroom with custom-made furniture/dressing. At the end, there is a large open space that maintains some independence: one area for the fully equipped kitchen with state-of-the-art appliances, island and dining area, and another with sofas and large windows. The night area, located at the other end of the entrance hall, is completed with a single bedroom and a large suite with access to a small balcony. We highlight the wooden doors, hydraulic tile floors, Catalan vaulted ceilings, custom-made furniture... countless details that make this apartment a wonderful renovation that combines quality and taste.
