In the heart of Eixample's Golden Square, two minutes away from Mercado de la Concepcion and a few streets of Passeig de Gracia, we find this beautiful newly built house with lots of light on the top floor of a listed property. It is a two-story rematch located in a pretty royal building in the corner of the year 1875 completely refurbished. In the renovation, a new elevator was installed. The floor, with a built area of 72sqm, consists of an outward-facing living-dining room with a fully equipped kitchen, two double bedrooms also exterior, a bathroom and a toilet. The property combines the charm of a rustic estate in perfect condition, with the comforts of a new construction housing. It stands out for its excellent finishes and facilities, the optimal distribution of spaces and plenty of

natural light throughout the day.
