In a spectacular 1920's property perfectly located in Gran Via de les Corts Catalanes, near the Plaza de España, we find this magnificent 120 sqm property, totally renovated with top quality finishes and furnished with designer furniture. The property consists of a spacious entrance hall, fully fitted kitchen open to the dining room, living room that opens to a nice gallery oriented to a wide and clear block courtyard typical of L'Eixample, three double bedrooms, one of them with bathroom, two bathrooms and a courtesy toilet. The three bedrooms are spacious and outside the street and have access to balconies with views of the Gran Via. The flat enjoys natural light in all its extension thanks also to a pleasant patio, of about 5 sqm, located exactly in the central part of the flat. The property

has been reformed with great taste and conserving original elements of the time, like high ceilings of 3,5 meters with Catalan vault.
