In the upper part of Eixample Esquerra, in Londres street, very close to Plaza Francesc Macià and Avenida Diagonal, just a few minutes away from the prestigious Rambla Catalunya and the charismatic Paseo de Gracia, surrounded by all kinds of services, excellently communicated, in a corner property typical of the area, we find this exclusive flat of 128 sqm built, fully furnished and equipped with kitchenware, recently refurbished, all brand new and decorated with exquisite taste. We enter the property thanks to the spacious hall that distributes the flat. To the right, we find the day area, where we find the large living-dining room with balconies to the street and the open kitchen equipped with high-end appliances; and to the left we find the night area that has 3 bedrooms, two doubles and one

single, all with wardrobes and two complete bathrooms. The property has high coffered ceilings, parquet and microcement floors, gas heating by radiators, split air conditioning in the living room and fans in all rooms. Apart from the excellent distribution, this property has a very special charm due to its decoration that combines pieces of art from different parts of the world, very elegant and modern design furniture that combines with original restored pieces (the living room door is made of rock crystal). A wonderful opportunity to live in the heart of Eixample...
