We found this fantastic property in L 'Esquerra del Eixample, touching Avinguda Diagonal and near the emblematic Enrique Granados street, surrounded by services and shops and very close to public transport, we found this wonderful newly renovated apartment with exquisite taste and materials of high quality. The house is on the fourth floor of a beautiful royal estate from the beginning of the last century in good condition and with lift, so enjoy a lot of natural light. Currently, the 134sqm flat is clearly distributed in the day and night area. On one side and overlooking the outside, we find a nice and bright living room with direct access to the kitchen, semi-open, and with an integrated dining room. In the other direction, two exterior bedrooms to a covered and very pleasant gallery, one en

suite, another single bedroom and a second bathroom. The reform has been done respecting the elements of the time, so that some hydraulic pavements have been preserved combining them with pavements created from the mold of the original tile. The high ceilings and coffered ceilings along with the original leaded windows are some of the elements that give the house a special elegance.
