In one of the best areas of Eixample Esquerra, just a stone's throw from Avenida Diagonal and surrounded by services and shops, we find this wonderful flat with a large part of its exterior rooms.

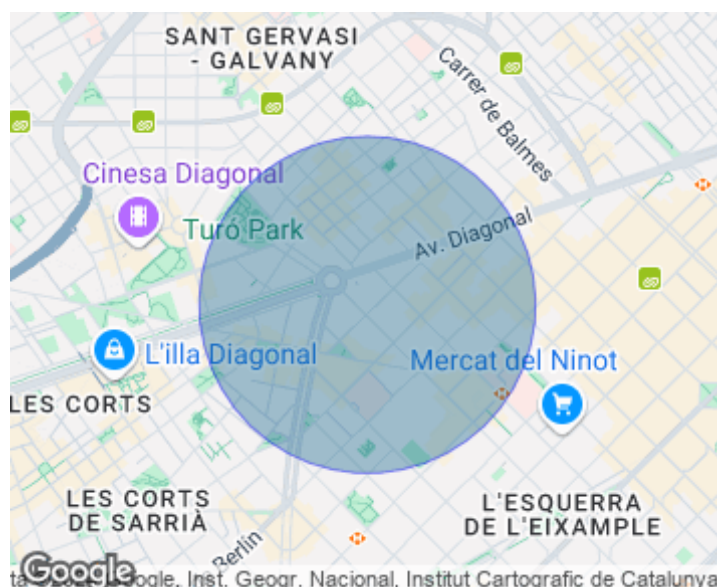

The apartment, of approximately 141sqm, has a very square distribution where the areas of day and night are clearly delimited. Once inside the flat we find a foyer that distributes on the left hand side the kitchen with small office and service entrance, the water area and the service room with bathroom, opposite takes us to a nice dining room very outside with lots of light and fireplace and on the right hand the night area, consisting of three bedrooms of which two are

outside, very large and with fitted wardrobes, and one individual. It also has a large bathroom very complete. The property has a caretaker and elevator.
