In a corner building a few meters from the Hospital Clinic of Barcelona, we find this flat completely to reform with a host of possibilities.

With the typical distribution of L'Eixample, on one side we find the day area with a large outdoor dining room with street, with two windows that lead to a small balcony, an office and the large kitchen with access to a laundry. On the other side of the house we have the night area, which is composed of three double bedrooms, a bathroom and a toilet. It is a great opportunity to make a flat to your liking, in a magnificent location, surrounded by all the services and public transport of Barcelona.
