This cosy flat has been refurbished with a modern touch without losing the classic essence of the Eixample. It has a bright living-dining room with direct access to the balcony overlooking Comte Borrell. There is a small area that could be used as an office. The kitchen is independent, it is fully equipped and very close to it there is a fabulous pantry. In the night area, we find the suite with ample storage space, complete bathroom with shower and access to the back balcony where you can breathe a lot of tranquillity. The other 2 bedrooms are single, one exterior and one interior with built-in wardrobe. Both bedrooms share the second bathroom with bathtub. The flat is equipped with electric heating, hydraulic floors, combined with different types of lights to create a relaxing atmosphere in the hallway. The parking space included in the rent is in the building just in front and there is a small storage room on the roof terrace. Can you imagine living here?
