In the heart of Eixample esquerra, close to Plaça Catalunya, we find this exclusive and magnificent property with a surface area of approximately 300sqm, where eclectic styles are combined with a bohemian style, designed by a prestigious designer. On the first floor there is a large living-dining room with access to an outdoor kitchen, two bedrooms en suite, one with dressing room and the other one with access to a cozy terrace. On the top floor there is a large multipurpose room with glass roof, utility room and service. We finally reach the terrace of the house. The quality of the materials is exquisite, for example in the recovered hydraulic floors and the stained glass windows that surround the property. * In compliance with Law 12/2023 and Law 18/2007, we inform that
