In a beautiful Finca Regia, in l'Esquerra del Eixample, next to the Joan Miró Park and very close to the Plaça Espanya we find this magnificent flat with a lot of light.

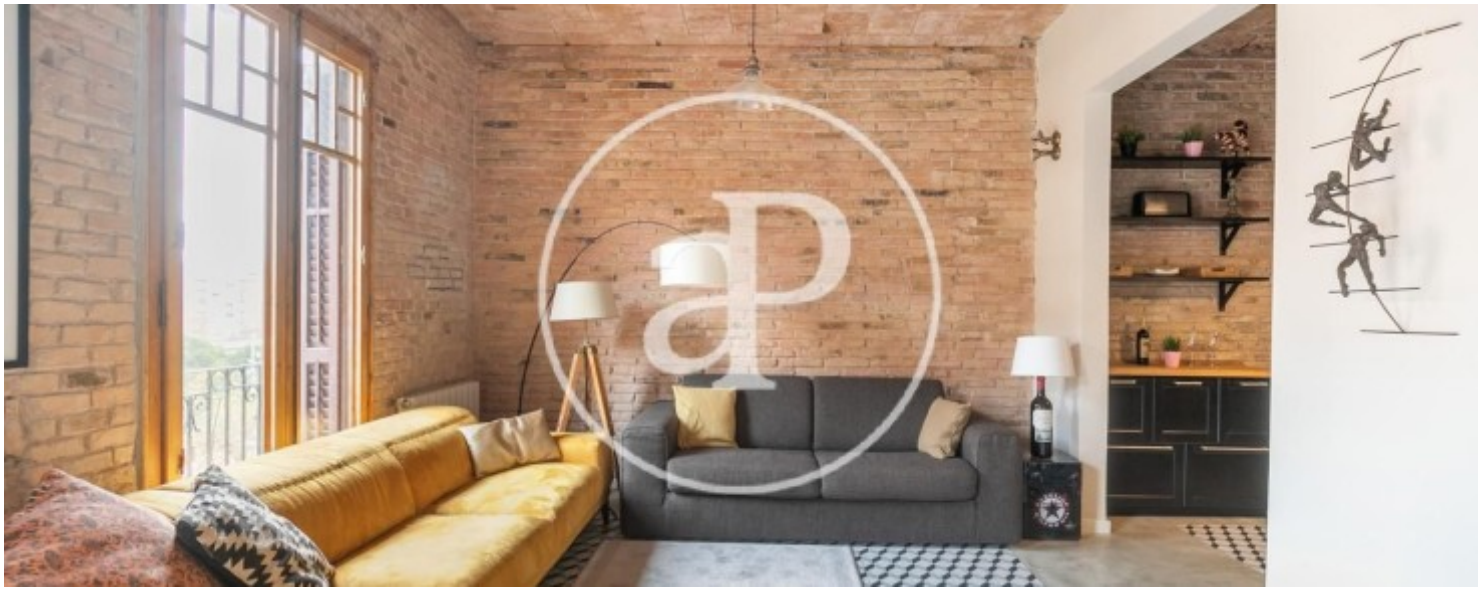

Surrounded by services and shops and next to public transport, the house is two steps from the Aerobús, the Ave and Rodalies, so it is very well connected. It is the top floor, the property is recently renovated and currently its 64sqm are distributed in a living room in three rooms (you could make another bedroom), American kitchen, a dressing room, a single bedroom and a bathroom. All the rooms have light because it is a fourth floor with elevator. The common areas of the property have been recently updated; porter's lodge and landings have very good presence. The apartment has been refurbished with great taste and high quality materials.
