In the heart of L'Esquerra de l'Eixample, near to Rambla Catalunya and Paseo de Gràcia and surrounded by shops and restaurants, we find this beautiful loft furnished with excellent taste mixing modern and classic elements giving it an exquisite air. The flat is diaphanous and bright, is fully equipped to the last detail. It has high ceilings with wooden beams and typical modernist moldings that give it an elegant and sober air; an Italian kitchen open to the living room and behind the sofa is the bedroom with a large walking closet both integrated into the space; a full bathroom with an antique bath and shower. The apartment has two balconies to the street typical of the Eixample. All the elements are of the highest quality that makes it special and perfect for a couple and / or singles. *
