We access the house through a comfortable hall that gives us access to the living room and the semi-equipped open kitchen with oven, induction hob and hood and exit to the small water area. The night area consists of two rooms, a double exterior to Josep Tarradellas and another junior interior with a window and a cozy and spacious bathroom with shower and radiator for towels. Both in the kitchen and in the bathroom, hydraulic tile flooring has been placed; the house has heating by electric radiators of blue heat, a split in the living room, hardwood floors and is soundproofed with double glazed enclosures with a chamber that completely isolates it from the outside.
