In the heart of the Eixample Esquerra, in a modernist building classified as level C, we find this spectacular apartment of 150sqm furnished with a lot of personality and with a fantastic terrace of 40sqm facing south and full of plants that make us feel like in a house with a garden. It gives to an interior courtyard, so it breathes much tranquility. The day area consists of a spacious and bright living-room with a beautiful gallery overlooking the terrace, and a kitchen integrated to it, but separated by a glass that lets light penetrate. The kitchen is delivered completely equipped and newly renovated. In the night area we find a double room en suite and at the end of the corridor two exterior double rooms with a balcony, one of them polyvalent that can be used as a room, a library or a study. These

last two share a renovated bathroom with a shower. The ceilings are all coffered modernist style and the floors with original hydraulic tiles. It has gas heating through radiators and air conditioning in the living-room. The blinds in the living-room that overlooks the terrace are electric. The building has an elevator and the rooftop enjoys spectacular views. It has a large community storage room. It can be rented unfurnished. * In compliance with Law 12/2023 and Law 18/2007, we inform that
