In Eixample Esquerra very close to Gran Vía Street, surrounded by shops and very well connected with public transportation we find this apartment, located on a high floor of a classic building with an elevator and a surface area of 110sqm. The apartment has a typical layout of Eixample. The rooms are faced to the east and the living room is faced to the west. Upon entering the apartment we find a hall that divides the day and night area. Through a corridor there is access to a bathroom with shower, two exterior double bedrooms with access to a small balcony that overlooks the street and a multi-purpose interior room. In the other side of the house we find a nice living room with access to a bright gallery with views of a large courtyard typical of Eixample, a kitchen without appliances, a bathroom

with shower, and a interior and small multipurpose room.
