Two minutes from Plaça Francesc Macià, surrounded by services and shops, we find this flat of 158sqm, with double orientation, very bright and with magnificent views.

The flat is in good condition and is clearly distributed in day and night areas. The living room, oriented to SO, enjoys a lot of light and clarity thanks to its large windows; independent kitchen and water area. It has five bedrooms, of which four are double and one single fitted as a dressing room; plus a small storeroom. It has a complete bathroom and a courtesy toilet. It is suitable to live in, to make a small update and to make a complete reform to the buyer's taste, with the facility

of being able to join different rooms, since most of the separations are of partition. It is a regal property with a lot of presence and the entrance has been adapted for reduced mobility.
