Located in the heart of Eixample, in Quadrat d'Or, in a wonderful listed building built in 1895, by the prestigious Catalan architect Enric Sagnier- Villavecchia, we find this flat of 210sqm completely refurbished preserving modernist details such as hydraulic floors and high ceilings. It has an excellent layout in a large entrance hall, a living-dining room with fireplace, both with access to a nice gallery, and a modern full-equipped kitchen with utility room. The sleeping area has five bedrooms, one of them en suite with bath, one double and three singles, sharing a bathroom. The apartment has individual gas heating, and the property has concierge service.
