124 sq m apartment for sale in the El Clot neighborhood, in an area of Barcelona with excellent transport links to the center and the beltways.

Situated on a true first floor, the property is entirely exterior-facing and oriented toward the sea, featuring large windows that flood every room with natural light and offer unobstructed views—a rare feature so close to the city center. The home comprises three bedrooms: two doubles and a single that currently functions as a walk-in wardrobe with access from the master bedroom, though it can easily be made independent again. It features two full bathrooms, one en suite, finished with top-quality materials. High-end

interior and exterior carpentry. The living room is spacious and bright, with a large window that fills the space with natural light, while the generously sized kitchen accommodates an office dining area and includes a practical integrated laundry space. High ceilings and quality finishes reinforce the sense of spaciousness defining the entire residence, designed for those seeking comfort and security without giving up coastal living. Access to the home is controlled via a keyed elevator, making the building particularly secure. One of the building's greatest highlights is its communal areas:...
