In the heart of Fort Pienc, a few steps from Arc de Triomf, Passeig Sant Joan and Estació del Nord, we find this magnificent apartment to be completely renovated.

The property, with double orientation, has an area of 162 m2 and is located on the second floor of an elegant classic building with elevator that preserves original elements of the time, all of them easily recoverable as wooden carpentry and hydraulic floors. The interior space is distributed in a functional way, offering a large living room with fireplace, balcony and views to the outside, a separate kitchen with utility room, 6 bedrooms of which 4 are doubles, and two bathrooms. From two of the bedrooms there is access to a large glazed gallery very typical of this type of property. The generosity of the rooms and the height of the ceilings give the house a great feeling of spaciousness.
