Located in a quiet street of Las Ramblas, perfect to stroll along, one minute far from Plaça Catalunya, Portal del Angel and near the Boqueria Market, we find this fantastic 80sqm apartment on a second floor. It is completely renovated keeping the original elements. It should be highlighting its high ceilings with details, original floors, window frames and originally wrought-iron balconies of 1890. Inside the house, from the hall, you can access to a bright living room with an exit to a balcony overlooking the street. The kitchen is designed with quality furniture, cupboards that offer a lot of space and high-quality appliances. The night area is composed of a large bedroom with a window and access to the balcony and a fully equipped bathroom with a bath that communicates with the laundry room

and a garret. It is rented without furniture but it would be possible to furnish it. The building doesn't have elevator.* In compliance with Law 12/2023 and Law 18/2007, we inform that
