In the heart of Poblenou, located just 5 minutes away from Rambla del Poblenou and the park in the centre of Poblenou, we find this unique piece.

A unique house with integral reform, designed by an interior design studio, in which materials of the highest quality have been used. It is a single-family house with ground floor, first floor and chill out terrace on the roof. The house has a north-south orientation and enjoys natural light. It has been built by replicating the processes of craftsmanship using modern insulation and strength materials. An example of this is the Catalan ceramic vault or the interior handmade brickwork. The lighting project

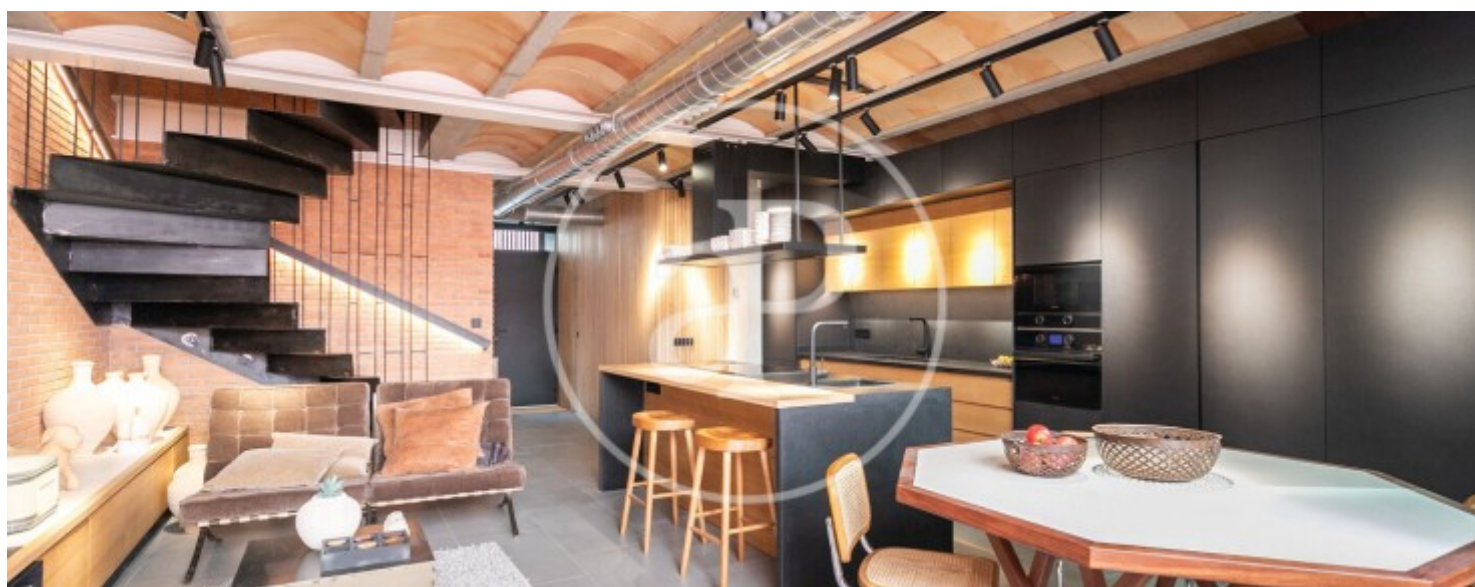

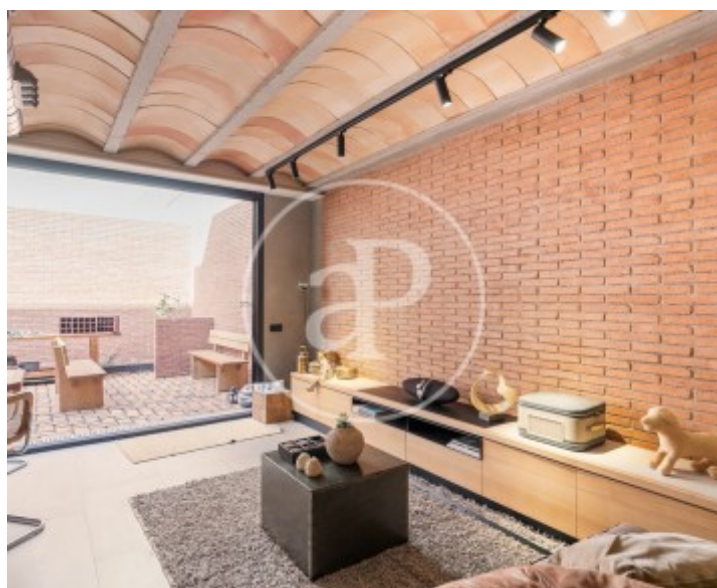

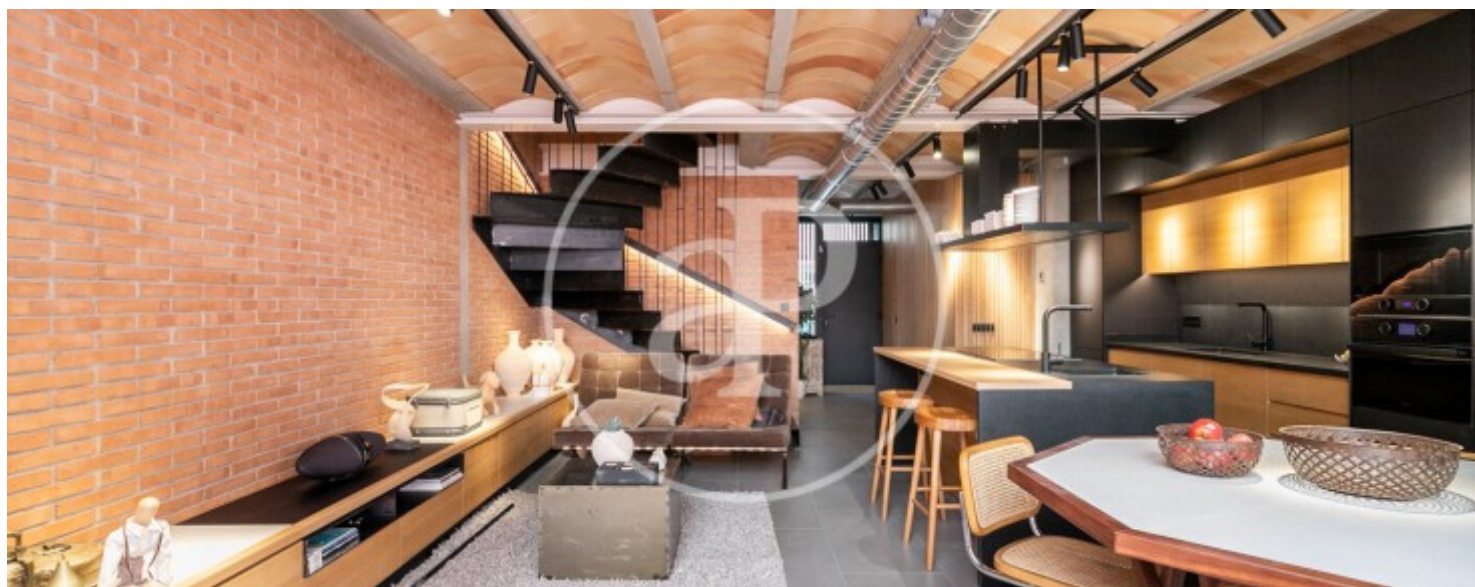

sharpens through its rails the sensation of wellbeing and comfort. As for the furniture, all the wardrobes are built-in, with LED lighting inside and made of natural oak or lacquered. The house is delivered furnished, on the ground floor there is a comfortable living-dining room with open kitchen, access to a large terrace with tuff flooring, a double bedroom with built-in wardrobes and a complete bathroom with shower. On the first floor there is a hallway lined with wooden slats that gives access to 3 bedrooms and a bathroom. One of the bedrooms has an en suite bathroom. ...
