In one of the best neighborhoods of Barcelona, we find this penthouse, with a very large terrace, which goes around half the floor.

Entering we find a large hall, then a dining room divided into 2 rooms, one for the sofa and the other for the dining table and a small work area. All rooms have natural light. From the entrance you access the kitchen, completely renovated and with water area. In the corridor, we find a renovated bathroom shared by the two rooms, one of them is double and the other single. And we ended up in the main room, with a private bathroom. All rooms have natural light, due to the height of the floor. There is an air conditioner in the dining room.

The building has a concierge, shared with 3 other goals. It is a family flat, ideal for those looking for large spaces and to enjoy a large terrace in one of the most emblematic neighborhoods of the city. * In compliance with Law 12/2023 and Law 18/2007, we inform that
