## *New Apartments in unique rehabilitation Project of old Textile Factory*

New Apartments available in this unique project designed to create a modern, sustainable and healthy environment, with all modern comforts in the center of Barcelona. This project consists of a comprehensive rehabilitation of an old textile factory from 1833, creating a total of 50 New York-style apartments with 1, 2 or 3 bedrooms, shared areas include a swimming pool and solarium area with impressive views of the city. The apartments on the top floor will have access to a private terrace on the rooftop. The apartments overlooking the street have balconies and the apartments overlooking the courtyard have covered terraces. In addition, the building will have urban vegetable gardens, vertical gardens, aerothermal system for air-conditioning, heating and hot water, a concierge service, 24-hour video surveillance, rainwater recycling, bicycle parking and an atrium in the center of the complex with skylights and trees. All the apartments have been provided with natural materials of the highest quality and wherever possible, have recovered original elements. The kitchens are fully equipped. The apartments and lofts have large windows, and have direct access to gardens, terraces or balconies, depending on their location. Last apartments available (currently with short term rental)
