Fantastic renovated apartment with two bedrooms and balcony in Gràcia Nova In the heart of Gràcia Nova, a few meters from the Mercat del Estrella, between the metro stops Alfons X and Joanic, in one of the future green axes of the city, we find this beautiful apartment completely renovated and brand new, ready to move in. Brightness, good taste, distribution of spaces very well thought out and a quality reform, is what best describes this property. The property has an area of 60 m2 approx that are distributed in a very logical way, upon entering the house we find the entrance hall and the guest bathroom, we move into the hallway and find a first double bedroom with bathroom en suite, moving a little further we reach the single room. At the end of the hallway is the spacious living room with

fully equipped open kitchen and access to a nice balcony overlooking a quiet and sunny courtyard in the afternoon. The house has air conditioning / heating ducts, natural parquet floors give an ideal warmth to the whole house. The 1963 building has an elevator. Undoubtedly, we are talking about an excellent opportunity in the area!
