Fantastic flat completely renovated four years ago, in its 75 m2 has three bedrooms, one double and two singles.

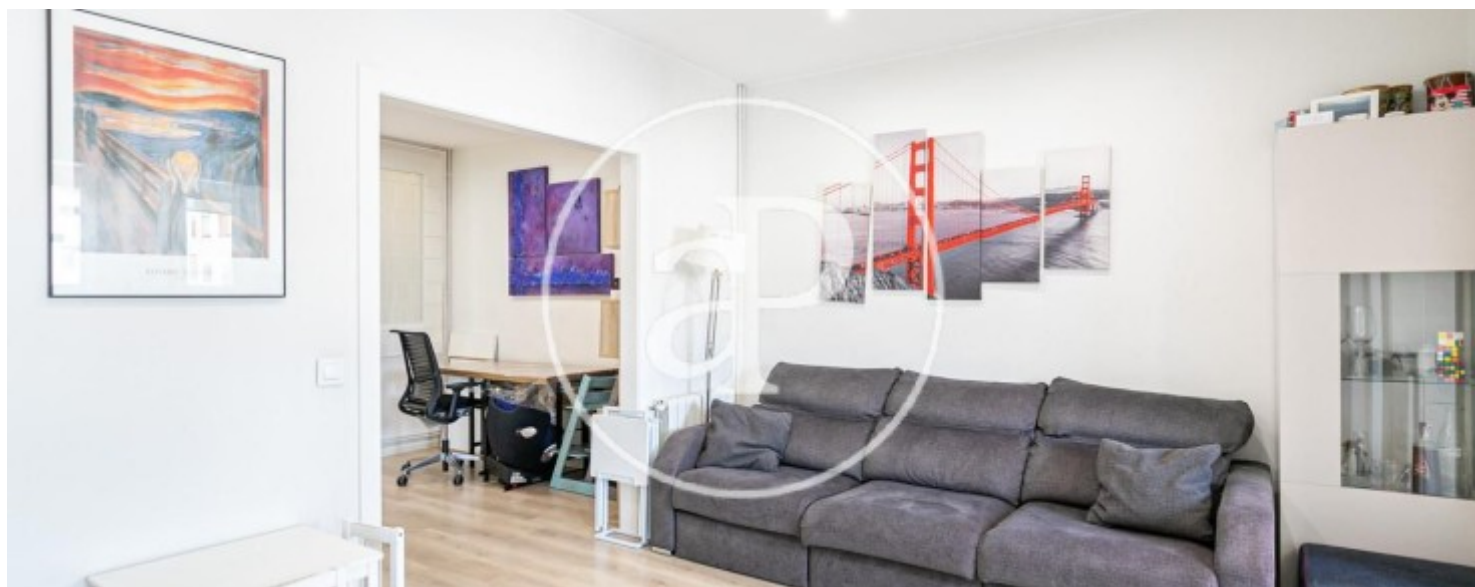

Upon entering the house, we find a corridor that nimbly distributes the first two bedrooms. Further we find a study space and the living room with the open kitchen. From the living room there is access to the bathroom and the last bedroom. The bathroom has a shower tray and cabinets and beautiful mosaic stoneware floors. Being a real fifth floor overlooking a large block patio and facing south west, the entire house has plenty of natural light. The apartment is in perfect condition, has air conditioning and heat pump. The floors are woodfloor and the

entire house was renovated with quality materials. The 1943 building is in very good condition and has an elevator. The property has a very good location, close to all shops, with the Joanic metro and buses from Paseo Sant Joan (lines 47, 114, H8). We have plans.
