In the basement we have the pk with capacity for two cars, motorcycles, bicycles and a large storage area / office. Through a staircase we access the garden where the main entrance of the house is located. We enter the house through a large hall and find a bright living room with fireplace and exit to the outside, separate dining room, kitchen with access to the outside and toilet. On the upper floor there are four exterior double bedrooms

with several terraces all with wonderful views over Collserola and the whole city. A full bathroom gives service to the rooms. The property needs updating to become a magnificent family home in the heart of the Collserola mountain range.
