Beautiful pied-a-terre, ready to move in, situated on the 2nd floor of a traditional building, with it's recently reformed facade.

It's location is in the upper area of the Barceloneta, at a short distance from the underground station and buses, traditional restaurants and bars, near shops and, of course, the beach. The flat has been modernized in a functional and practical way and is fully equipped. It is distributed into an ample bright living room, with various windows along the main wall overlooking the street, a fully equipped open kitchen and access to the wc. The double bedroom, with a shower en-suite, has access to a small balcony onto

the street. The property has heating with electric panels, parquet floors, gas for the kitchen cooker, a washing machine, and is available with furnishings and fittings. La Barceloneta was traditionally the neighborhood where fishermen and their families used to live, surrounded by beaches and marinas, giving it a relaxed and easygoing atmosphere. You can enjoy a wide variety of restaurants and bars with their terraces overlooking the sea and sunny boulevards. Located at a short distance from the city center it is well connected by public transport.
