This beautiful property, completely renovated in 1953, consists of 6 apartments completely renovated and all of them with elevator and direct access to the apartment.

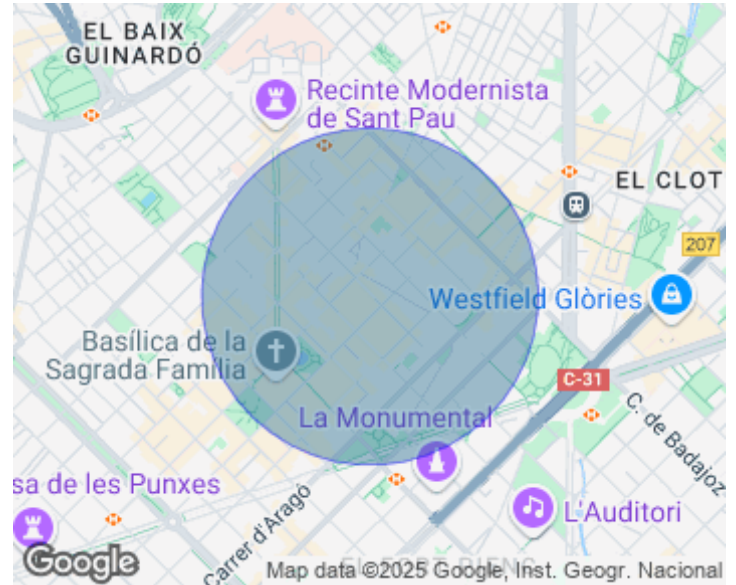

To access the penthouse, we do it from the elevator on the top floor, and we find a door that gives access to a private terrace of 28m², with spectacular views of the emblematic Sagrada Familia and the city. Facing southwest it is magnificent to disconnect, eat or just enjoy the incredible views. We access the house through a double glass door, and we find the entrance hall and the living-dining-kitchen all open. It is a very bright space thanks to its windows in all rooms of the house and all

completely renovated and equipped with high quality. At the end of the floor we have the kitchen equipped with all appliances and a large window overlooking the city. On the other side, we have the master bedroom, also with window and views of the city and opposite, the bathroom with shower. Considered a unique piece in this quiet neighborhood of Fort Pienc and very well connected, it is easily accessible both by public and private transport surrounded by stores and interesting restaurants.
