Ten minutes walk from the Plaza Francesc Macia and Turó Park surrounded by all kinds of services, stores and transport, we find this house of 151 m2 built on three sides in a building with a current comprehensive reform with high quality materials achieving a serene and quiet atmosphere. We access from the elevator to the house through a small distributor with quick-step parquet floor with water-repellent treatment that will accompany us through all the rooms of the apartment. Once inside the house we find a large square living room with open kitchen SANTOS integrated L-shaped with large work surface, presiding over the large living room by two large windows with aluminum frames with double glazing with thermal break and watertight closure, electric blinds, electric curtains, LED lights adjustable

in intensity. Following the route we access a small distributor with built-in closets integrated with double push system, leads to the sleeping area where we find the Master Suite with dressing area with large windows and en suite bathroom. An exterior single double bedroom, a second exterior double bedroom with fitted closets and a bathroom with window. Housing equipped with air conditioning ducts, gas heating, LED lights adjustable in intensity and temperature. All regulated by individual panels in each room and can also be operated and programmed by App, with an electrical panel worthy of...
